- The names of the members of its team
- The names of the competitors entered as "Individuals"
- The names of the competitors entered as Wild Cards
- The names of the Official reserves.

For each competitor registered, the events that they will compete in together with the ramp height for Jump need to be entered.

An entry is considered complete when the Skier's name is registered in EMS and the full Entry Fee Payment has been received.

All payments need to be made by Credit Card/PayPal through EMS. For the Official Reserves, no payment is due at this time.

Any skier entered as a Wild Card or Individual is also to be considered to be a TEAM reserve.

An entered skier may be replaced by a different one without penalty, provided that they have already been entered as a Reserve skier, wild card or individual.

a) Fines for Late Registration.

Any Federation not meeting the registration deadlines will not be allowed to compete until their Federation pays a fine to the IWWF Representative at the Championships. The fines are as follows:

- * **US\$50** per skier if the registration is made between 59 and 45 days before the scheduled start of the first event of the Championships
- * **US\$75** per skier if the registration is made between 44 to 30 days before the scheduled start of the first event of the Championships
- * **US\$100** per skier if the registration is made between 29 to 15 days before the scheduled start of the first event of the Championships
- * **Double the Entry Fee** per skier if the registration is made between 14 days until 12:00 (competition local time), 2 days before the scheduled start of the first event of the Championships

Two days before the start of the first event the entry lists shall be closed at noon 12:00 (competition local time) and thereafter the order of competitors entered and paid will be finalised and posted.

The Scorer in consultation with the Chief Judge should post Preliminary Running Orders 7 days preceding the start of events with the orders clearly marked as "Preliminary and subject to change". No change in this order is allowed after noon (competition local time) of the two days preceding the start of events except that a team representative may without penalty:

- 3) The substitute skier shall start first in the series in which he is qualified unless the draw has not yet been completed.

b) Team or individual athletes not showing up:

In the event a team or individual athletes (for whom their Federation has submitted a competition entry), fail to show up for a competition, their entry fee shall still be payable in full, unless a valid written excuse is received by 12 noon of two days before the start of the competition.

A valid excuse may include a sickness certificate or a certificated injury and should be considered and agreed as valid by the IWWF Representative at the Championships.

All fines have to be paid on-site to the IWWF Representative at the Championships. No skiers will be allowed to start if any due fine is not paid.

14.07: Site Familiarisation

The last two or three days immediately before the Championships will be reserved and used for Official Familiarisation. This will be organised so that each competitor who has paid shall be allocated either a set number of passes and/or a certain amount of time at the discretion of the Chief Judge based on the principle that every skier shall receive an equal opportunity for familiarisation.

Slalom skiers will receive – 4 passes or 6 minutes whichever is less

Tricks skiers will receive – 2 passes or 5 minutes whichever is less

Jump skiers will receive – 3 passes or 6 minutes whichever is less

60 days before the Championships each entered competitor will be allocated Official Familiarisation time as specified above. 45 days before the scheduled start of the event, the Organiser (in consultation with the Chief Judge, whose decision shall be final) shall announce the official familiarisation schedule (including the allowed time).

If a Federation does not want to take part in the Official Familiarisation, it must notify the Organisers and the Chief Judge as soon as possible.

The order for familiarization will be based on the team results from the previous WWF World Championships with the last placed team athletes going first, and shall be grouped by event, i.e., slalom familiarization, trick familiarization and jump familiarization (by jump height) will be grouped together. Any athlete whose time has not been paid for at least 30 days before the scheduled start of the event, or who is not ready to ski in accordance with the schedule, will lose their official familiarization time.

Summary Table

45 days before June 16th deadline for publishing familiarisation schedule by Organiser.

30 days before July 1st deadline for familiarisation payment.
