ENTRY & ADMINISTRATION

Intention to Enter (ITE)

Each Federation shall certify to the Chairman of the World Waterski Council and to the organising committee, not later than 90 days before the scheduled start of the first event of the World Championships, its intent to compete using this link: <http://www.iwsftournament.com/WorldAdmin/>.

Any Federation not meeting this requirement will not be allowed to compete until they pay a fine of US\$200 to the IWWF.

To be accepted, the “Intention to Enter” must be accompanied by a deposit amounting to US\$50 for each athlete entered on the form. (For instance: 3 athletes: 3xUS\$50 = US\$150). This payment must follow the process described below.

Each US\$50 will be deducted from the entry fee to be paid later for each athlete. If a Federation subsequently enters less athletes than declared on the ITE, the fee of US\$50 paid at that time is forfeited for each missing athlete. The payment must follow the process described in the Competition Bulletins.

Any Federation may enter up to two more athletes than originally declared on the “Intention to Enter” form with no penalty, and for which the full entry fee is required. If more than two additional athletes participate, then a levy of US\$50 per additional athlete will be payable in addition to the full entry fee.

This does not include those skiers who may additionally qualify through the Weekly Ranking List or Pro Ranking if applicable.

Wild Cards

Each Federation may enter 5 additional single event wild card skiers. The skiers must meet the eligibility rules. A Federation’s Wild Cards may not be transferred to another Federation. For the purposes of this allowance Overall is not considered to be a single event.

2024 IWWF WORLD UNDER 17 WATERSKI CHAMPIONSHIPS
Lakes of KastynStone - Calgary, Alberta Canada

The deadline for each Federation to declare, through EMS, the names of the members of its team, the events each will enter, the ratings of each skier, as well as the names of the official reserves, is 60 days before the scheduled start of the first event of the World Championships.

An entry is considered complete when the Skier's name is registered in EMS and the full Entry Fee Payment has been received. The entry fee payment must follow the process described below.

Any skier entered as a Wild Card or Individual is also to be considered as a TEAM reserve.

The 60 days deadline does not include those skiers who may additionally qualify through the Weekly or the Pro Ranking, if applicable, for those skiers the following deadline apply:

- 1) The deadline to enter skiers who qualify under the Weekly Ranking is 30 days before the championships.
- 2) The deadline to enter skiers who qualify under the Pro Ranking is 15 days before the Championships.

Any Federation not meeting this requirement will not be allowed to compete until the Federation pays a fine to the IWWF Representative at the Championships, of US\$10 per skier per day after the 60 days deadline for each skier not officially entered.

If a skier is not registered on EMS prior to the 48 hours before the start of the first event, the Federation's skier's places in the draw shall be determined by the Chief Judge without reference to their qualifying scores.

2 days before the start of the first event, the entry lists shall be closed at noon (12:00) and thereafter the order of competitors entered and paid will be finalised and posted.

The Scorer in consultation with the Chief Judge should post Preliminary Running Orders 7 days preceding the start of events with the orders clearly marked as "Preliminary and subject to change". No change in this order is allowed after noon of the 2 days preceding the start of events except that a team representative may:

- 1) Withdraw a skier from the competition.
- 2) Replace an injured skier with a qualified official reserve from the same team with the authority of the Chief Judge and before the start of the first event, that is, before the first skier taking part in the first event has started,
- 3) The substitute skier shall start first in the series in which he is qualified unless the draw has not yet been completed.

Team or individual athletes not showing up: In the event a team or individual athletes (for whom their Federation has submitted a competition entry), fail to show up for a competition, their entry fee shall still be payable in full, unless a valid written excuse is received by 12 noon, 2 days before the start of the competition.

A valid excuse may include a sickness certificate or a certificated injury and should be considered and agreed as valid by the IWWF Representative at the Championships.

Lakes of KastynStone - Calgary, Alberta Canada

After closure of the registration, 60 days before the Championships (please ref. to rule 14.12 for the specific deadline), each entered competitor in the IWWF Event Management System (EMS) will be allocated Official Familiarisation time as specified above.

45 days before the scheduled start of the event, the Organiser (in consultation with the Chief Judge, whose decision shall be final) shall announce the Official Familiarisation schedule (including the allowed time).

If a Federation does not want to take part in the Official Familiarisation, it must notify the Organisers and the Chief Judge as soon as possible.

The order for familiarisation will be based on the team results from the previous IWWF World Championships with the last placed team athletes going first, and shall be grouped by events, i.e., slalom familiarisation, trick familiarisation and jump familiarisation (by jump height). They will be grouped together. Any athlete whose time has not been paid for at least 30 days before the scheduled start of the event, or who is not ready to ski in accordance with the schedule, will lose their official familiarisation time.

The Chief Judge shall have the discretion to change the start time of team's familiarisation based on extraordinary circumstances.
