ENTRY & ADMINISTRATION

- ✓ Each Federation must register the list of skiers it wishes to enter through the IWWF [Event Management System \(EMS\)](#) not later than **60 days before** the scheduled start of the first competition day of the 2022 IWWF World Over-35 Waterski Championships – **July 16, 2022 deadline**. Any Federation not meeting this requirement will not be allowed to compete until they have paid a fine of US\$200 to the IWWF. This does not include skiers who may additionally qualify through the Weekly Ranking List or Pro Ranking.
- ✓ An entry is considered complete when the Skier's name is registered in EMS and the full Entry Fee Payment has been received. For 2022 the entry fee payment cannot be made through EMS and must follow the process described in this information bulletin below.

As far as possible the events that each skier will participate in, including their chosen ramp ratio, will be completed in EMS.

Official reserves should also be listed. There is no limit on the number of official reserves for each team and no entry fee is required for these skiers.

- ✓ Any Federation not meeting this requirement will not be allowed to compete until the Federation pays a fine to the IWWF of US \$10 per skier per day after the 60-day deadline, for each skier not officially registered.
- ✓ After the 60-day deadline a Federation may enter up to two more athletes than originally entered with no penalty, and for which the full entry fee is required as stated above. If more than two additional athletes are added after the 60 days deadline a fine of US\$50 per additional athlete will be applied.
- ✓ Any name change or event entered may be changed without penalty up to the 30 days before the scheduled start of the first event of the World Championships.

ENTRIES - ENTRY FEE

- ✓ The Entry Fee for the “2022 IWWF World Over 35 Waterski Championships” is 275€ per competitor regardless of discipline. This Entry Fee includes a levy of 25€ to assist towards the travel costs of the technical officials. Entry fees are to be paid by bank transfer.

ATTENTION

- ✓ The deadline for each Federation to declare, through EMS, the names of the members of its team, the events each will enter, the ratings of each skier, as well as the names of the official reserves is **30 days before** the scheduled start of the first competition day of the 2022 IWWF World Over-35 Waterski Championships - **August 15, 2022 deadline.**
